

2X-F Series Fire Alarm Control Panel Compatibility List

Introduction

This document lists the products compatible with your addressable fire system.

Caution: Products marked with an asterisk (*) are not suitable for installation in fire systems requiring EN 54-13 compliance.

2000 series addressable detectors and compatible mounting bases

Model	Description
DB2002	Standard mounting base
DB2002U	Standard mounting base with earth terminal
DB2004	Deep mounting base
DB2016	Isolating base
DP2061N	Optical smoke detector (dual LED)
DP2061T	Dual detector (optical/heat)
DT2063	Heat detector with status LED and remote output
DP2071	Optical smoke detector with seven-segment display and remote output
DT2073	Heat detector with seven-segment display and remote output
FD2705R	Reflective beam detector (50 m)
FD2710R	Reflective beam detector (100 m)

2000 series addressable manual call points and modules

Model	Description
DM2010	Red manual call point (surface mount)
DM2010E	Red manual call point for outdoor use (surface mount)
DM2010G	Green evacuation manual call point (surface mount)
DM2010Y	Yellow manual call point EN, NL, FR (surface mount)
DM2010Y-3	Yellow manual call point LT, LV, ET (surface mount)
DM2010Y-4	Yellow manual call point ES, PT, IT (surface mount)
DM2080I	Red manual call point with isolator
DM2080BI	Blue manual call point with isolator
DM201006-KIT	Red manual call point for Sweden (surface mount)
IO2014C	Input module with IO-2BOX (4 inputs)

Model	Description
IO2031C	I/O module with IO-2BOX (2 inputs, 1 output)
IO2032C	I/O module with IO-2BOX (2 inputs, 2 outputs)
IO2034C	I/O module with IO-2BOX (4 inputs, 4 output)
IU2050C	Single input module with protective housing
IU2055C	Zone monitor unit with IO-2BOX (1 zone)
IU2080C	Sounder module with IO-2BOX
ISM-95	Standalone loop isolator

2000 series addressable sounders and beacons

Model	Description
AS2363	Loop-powered red multitone sounder (shallow base)
AS2363W	Loop-powered white multitone sounder (shallow base)
AS2364	Loop-powered red multitone sounder (deep base)
AS2364W	Loop-powered white multitone sounder (deep base)
AS2366	Loop-powered red multitone sounder and beacon (shallow base)
AS2366W	Loop-powered white multitone sounder and beacon (shallow base)
AS2366WY	Loop-powered white/amber multitone sounder and beacon (shallow base)
AS2367	Loop-powered red multitone sounder and beacon (deep base)
AS2367W	Loop-powered white multitone sounder and beacon (deep base)
AS2367WY	Loop-powered white/amber multitone sounder and beacon (deep base)

Conventional sounders and bells

Model	Description
AS363	Red multitone sounder (shallow base)
AS363W	White multitone sounder (shallow base)
AS364	Red multitone sounder with (deep base)
AS364W	White multitone sounder (deep base)
AS366	Red multitone sounder and beacon (shallow base)
AS366W	White multitone sounder and beacon (shallow base)
AS367	Red multitone sounder and beacon (deep base)

Model	Description
AS367W	White multitone sounder and beacon (deep base)
AS368	Red multitone sounder base
AS368W	White multitone sounder base
AS371	Red sounder and beacon for outdoor use (high output, English)
AS371-09	Red sounder and beacon for outdoor use (high output, Spanish)
AS371-21	Red sounder and beacon for outdoor use (high output, Portuguese)
AS372*	Intrinsically safe red multitone sounder
AS374	Red multitone horn sounder for hazardous areas
AS376	Red multitone sounder (high output)
AS377	Red multitone sounder and beacon (high output)
AB360	6" fire bell for indoor use (24 VDC)
AB360-06	6" fire bell for indoor use (24 VDC, Swedish)
AB380E	8" fire bell for outdoor use (24 VDC)

Conventional beacons

Model	Description
FA340	Xenon beacon (white base, red lens)
FA340C	Xenon beacon (white base, clear lens)
FA340Y	Xenon beacon (white base, yellow lens)
FA350	LED beacon (shallow red base, red lens)
FA350WRC	LED beacon (shallow white base, red flash, clear lens)
FA350WY	LED beacon (shallow white base, yellow lens)
FA350Y	LED beacon (shallow red base, yellow lens)
FA355	LED beacon (deep red base, red lens)
FA355WRC	LED beacon (deep white base, red flash, clear lens)
FA355WY	LED beacon (deep white base, yellow lens)
FA360	2J xenon beacon (shallow red base, red lens)
FA360B	2J xenon beacon (shallow red base, blue lens)
FA360C	2J xenon beacon (shallow red base, clear lens)
FA360G	2J xenon beacon (shallow red base, green lens)
FA360Y	2J xenon beacon (shallow red base, yellow lens)
FA360W	2J xenon beacon (shallow white base, red lens)
FA360WB	2J xenon beacon (shallow white base, blue lens)
FA360WG	2J xenon beacon (shallow white base, green lens)
FA360WY	2J xenon beacon (shallow white base, yellow lens)
FA370*	Intrinsically safe LED beacon (red lens)
FA370C*	Intrinsically safe LED beacon (clear lens)
FA375	5J xenon beacon for hazardous areas (red lens)
FA375Y	5J xenon beacon for hazardous areas (yellow lens)

Other products

Model	Description
GBX370*	Intrinsically safe galvanic isolator for AS372/FA370 series
FE230	400N door holder with release button (surface mount)
FE235	400N door holder (square base)
FE240	400N door holder (flush mount)
FE245	400N door holder with release button (wall mount)
FE250	400N door holder with release button (floor mount)
FE260-175	400N door holder with universal adjustable tube and release button 175 mm)
FE260-325	400N door holder with universal adjustable tube and release button 325 mm)
FE260-475	400N door holder with universal adjustable tube and release button 475 mm)
FE535	Door holder with steel square base and VdS magnet
FE543	Door holder, with reinforced plastic box and VdS magnet
FE550	Door magnet (floor mount)
FE560	Door magnet with universal adjustable tube and VdS magnet
FE570	Universal door magnet (adjustable)
FE581	Door magnet with steel square base and VdS magnet (IP65)
FE590	Explosion proof door magnet (wall mount)
DP2CAP-ICT	Insect protection cap for 2000 series detectors (10 pack)
OR2000	Optical reflector for beam detectors
IO-2BOX	Protective housing for 2000 series modules
AI672	Remote Indicator
AI673	Remote Indicator with acoustic indication

Contact information
